SIGNATURES

This program encourages and promotes leadership, good will towards others, and community involvement. Our program strives to develop self confidence, poise and the natural beauty of young girls. The purpose of The Bush Hill Festival Princess Program is to promote the Bush Hill Festival and the Archdale/Trinity Community at pageants and festivals around the state. Winners are required to attend the 2011 Bush Hill Festival, the Archdale Christmas parade, and the 2012 Bush Hill Heritage Festival Princess Pageant. Contestants are not allowed to currently hold a crown or title. Winners will not be allowed to compete for another title for six months after winning the Bush Hill Festival Pageant. If the division winners compete for and win another crown before the end of six months their title will be forfeited and the first runner-up will become the queen. The crown, sash and all prizes including but not limited to cash and merchandise must be returned to the Bush Hill Heritage Festival Princess Program upon forfeiture.

Entry fee is $75 per contestant. Fee must accompany application.
